

# Westcott Weekly

Friday 8<sup>th</sup> March 2024

We all loved dressing up as our favourite characters this week!

Our School Value focus is: **LOVE**

Julia Donaldson was our celebrated author for World Book Day! The children moved around to different classes to explore books with the different teachers, making it quite an adventure!

Mrs Way read *Sugar Lump and the Unicorn*. All pupils joined in identifying the rhyming words and used their prediction skills. KS1 made masks and used playdough to create models. KS2 used air drying clay to make unicorns.

Mrs Fawcett read *Stick Man* and the pupils had great fun making their own stick man using natural resources.

Ms Galloway read *The Gruffalo* and the pupils made their favourite character from the story.

Collective Worship

We focused on the joy of reading this week in our collective worship assemblies. Staff members shared their favourite children's books and children also found out about the bestselling book in the world – the Bible.
