Our School Value focus is: **LOVE**

LIME

The children in Lime have been reading 'Where The Wild Things Are' by Maurice Sendak. They have been looking closely at the inspiring illustrations and trying to write descriptive sentences with adjectives.

BIRCH

Birch have been focusing on developing their hockey skills in PE this term. They have been practising striking and receiving the ball as well as honing their dribbling skills.

OAK

In Oak's PE lessons, the children are challenged to lead the warm-up and often their expertise from outside of school is called upon to demonstrate skills and techniques to the rest of the class. This gives them the opportunity to develop sports leadership skills, preparing them for secondary school.
