

Westcott Weekly

Friday 19th January 2024

It's been another busy, hard-working week of learning at Westcott!

Our School Value focus is: **LOVE**

BIRCH

Birch have started their new Science topic: "Forces". They have been looking at the phenomenon of friction. Why not investigate further at home using this link: [Friction - BBC Bitesize](#)

LIME

In Lime this week we have been reading the story of 'Jack and the Beanstalk'. Nursery have been measuring beanstalks using unicubes and writing numerals 1 to 10.

AMEN

Collective Worship

We have considered what it means to be generous this week; thinking about the message from St Paul to the church of Corinth: *"God loves a cheerful giver!"*

2 Corinthians ch 9 v 7

We realised that being generous means giving something to others that is **precious** to us. This could be by sharing a toy or a game with a friend or being generous with our time in helping others. This is another way of *sharing joy* which is our challenge of love this term.

Enjoy a walk in beautiful scenery and plant snowdrops in support of Child Bereavement UK, then join us for refreshments in West Wycombe village hall.
